June 10 "Teams" Event

In addition to Bill Calhoon, those attending will be Edie Lloyd, Bob and Dee Smith, Julie Fisher and Bob Davies.

Choir Vestments

- 1) Attached is a report by Rita Evans. The recommendation is to go with the Wine polycrepe, although there was a discussion about the Flax preference by some.
- 2) Cost of the polycrepe is \$119 less 10% on order of 12 or more (net - \$107.10 + surface freight).
- 3) The neck crosses will be the same we use now.
- 4) As there is no budget for these vestments, the matter is being referred to Council.

Filing Cabinet

Edie needs more room, and the Pastor suggested she augment the current storage with a cabinet in the Treasurers room in the parish house.

Fall Choir Rehearsals

Aug 30 and September 6 were suggested, and September 6 was accepted. Note: This will be the next scheduled meeting of the Worship Team, so choir will be at 6:30 pm and the team meeting at 7:30 pm..
