Worship Ministry Team

Team Meeting: Thursday, January 10, 2008

Attendees: Bill, Julie, Pat, Edie, Rita, Jan, Pastor, Bob D. Suzanne

Choir robes: We are still short one alb for Edie (they keep sending the wrong one). It is supposed to be shipped 1/22. They will tentatively be worn first on 1/27.

Contemporary Worship Task Force: They had one meeting where they covered introductions, background on the request from council and brainstorming. There was a lot of energy. The next meeting is February 1 at 6:00 pm.

Choir practice during Lent: Practice will remain on Thursdays at 7:00. For Ash Wednesday, practice will be between the pot luck dinner and the service (~6:45).

Poinsettias: The poinsettias were overcrowded this year. For future flower orders (including Easter lilies), we will set a predetermined number of flowers and set a price to have people sponsor them. Any additional money will go toward outdoor plants for the summer.

Altar guild: They met 1/9 and would like to get rid of some of the older linens that are frayed. They would like to purchase new palls (one big and two small). This was agreed to and they can be purchased out of the memorial fund. Pat & Ed would like to donate a fair linen made of the Jerusalem linen.

Lenten Mid-Week Services: We will use setting 1. The Youth group will be doing two person dialogues on Wednesdays.

Web page: The pastor would like to divide the web page up among the Ministry teams to keep it up to date.

Next meeting: April 17 at 7:30 pm
