Worship Ministry Team

Contemporary Worship Task Force: Sunday, March 16, 2008

Present:

Pastor, Kathy Mathews, Brenda Grunza, Dylan Grunza, Julie Fisher, Nancy Pacyna, Jan Hess

Recruitment:

Thank you to Pr. Mathews for bulletin and newsletter inserts.

Melissa Misterman and Mary Ann Keller have volunteered to assist with power point and music CD prep. Jan will ask them to contact Pastor for assignments.

Liz Godusky volunteered to play her guitar.

Thanks to Esther and Marty Semken who provided CW music resources.

Emerging issues:

The target date for the first CW service is moved back to April 27.

Jan and Brenda agreed to schedule music leadership for the services. Tech help is also needed to operate the power point and music functions.

Kathy agreed to contact Edie about programming hymns into the computer so they can be played on the keyboard.

Brenda will continue trying to reach John Buntz and she will contact Heather re: involving the youth group in CW.

CWTF will host the coffee hour on Sunday, April 6. During that time members of the congregation will be able to view the power point and listen to hymns. This will provide an opportunity to publicize the new service, recruit helpers, receive feedback and answer questions. Jan and Julie – baked goods; Brenda – juice; Kathy – coffee. Jan will contact Ray and ask him to set up the power point and music.

Thank you to everyone for the time, talent and attention you've given to this project.

Next meetings: following Coffee hour Sunday, April 6 (*remaining issues*)
 Thursday, April 10th, 6 PM in the Parish House (*dry run*)
