**Sunday Church School Sub-Committee Meeting: Sunday, May 6, 2007**

Present: Pastor Mathews, Marci McDermott, Heather Klien, Carole Hamersly and Kathy Mathews

The meeting was opened at 12:05 with a prayer from Dick Yost.

Heather circulated the Superintendent Responsibilities as they have been divided between she and Patricia Novicke-Schwoebel. The list of responsibilities will also be given to staff who were unable to attend today and will be available on the web site.

Several members of the staff including Dick, Heather, Kathy and Shirley Buntrock were able to attend a program on Akaloo, a potential new Sunday school curriculum yesterday at the Mission District Festival. All were impressed with the presentation and a meeting has been scheduled for Thursday, May 17 at Pastor Mathew's house to access a "Webinar" presented by Augsburg Fortress on Akaloo. The program will be explained and attendees will have the opportunity to practice planning lessons. A decision on choosing Akaloo will be made at a later date based on the feeling from the "webinar".

The meeting was adjourned at 12:20.
