Clarks Summit , PA**

(Education Ministry Team)

Sunday School Sub-Committee Meeting: Sunday, July 29, 2007

Members present: Kathy Mathews, Jan Huylo, Dee Smith, Shirley Buntrock, Mike Krahling, Dick Yost, Sarah Harvey, Heather Klien, Carole Hamersly, Pastor Mathews and Patricia Novicke-Schwoebel.

The meeting was called to order by Dick Yost with a prayer.
A devotional from First Corinthians was read by Sarah Harvey.

A decision has been made to use the web-based Akaloo curriculum from Augsburg Fortress for all of the Education opportunities at Trinity (pre-k through adult).

Heather circulated samples of the Akaloo curriculum that she had downloaded. She explained how to obtain the lessons on-line and informed those who may need assistance with the web-site that she is available to come to their homes and assist them in learning how to plan a lesson.

Heather reviewed the other available resources and indicated that she did not feel it necessary to use the music CD's as Edie does music for the students.
She did suggest obtaining a learner booklet for every 1-3 students per class. Samples of the booklet may be viewed on the web-site, so teachers may look at them and decide if they would like them and how many they think they might need.

The students will eventually have the ability to use the Akaloo on-line for kids. However, permission must be obtained by the parents first.

Jan Huylo intends to supplement the confirmation studies in her class again this year as well as attend confirmation class herself.

Dick Yost indicated that in the school year calendar that he has "worked out" no Sunday school will be held on Sunday, November 25 or December 30. Other Sundays may be added as the superintendents work out their schedule.

The meeting was adjourned with the Lord's Prayer.
The next meeting is scheduled for Sunday, August 26.
